CARL SANDBURG SCRAPBOOK

The Morton Grove Public Library is privileged to exhibit "A Sandburg Scrapbook" Nov. 16 to Nov. 26 and to welcome Mr. Gerald Shea, who will speak about the Illinois poet and his career on Sun. Nov. 18 at 2:30.

"A Sandburg Scrapbook" is a traveling exhibit, made possible by the Univ. of Illinois and funded in part by the Illinois Humanities Council and the National Endowment for the Humanities.

The exhibit contains books, original manuscripts, pictures and artifacts pertaining to Carl Sandburg, his life and work. Sandburg loved Illinois and Chicago and he spoke eloquently of them throughout his long life.

Join us for Mr. Shea's anecdotes about Carl Sandburg on Nov. 18 and enjoy this wonderful exhibit of a great literary giant from Illinois!

HUDSON BAY ADVENTURE

Come for a wonderful adventure to the north country with expedition leader Tom Holleran when he presents his slide-lecture on "Ten Weeks to Hudson Bay" on Wed. Oct. 3 at 7:30.

Mr. Holleran is a recreation supervisor and physical education teacher with expertise in canoeing, backpacking and camping and he recently organized and led a 10-week, 1,000 mile canoe trip to York Factory on Hudson Bay. He will share his experiences on this memorable trip and provide an evening of entertainment for both adults and children.

ILLINOIS ARTS WEEK

Illinois Arts week will be celebrated at the Morton Grove Public Library with exciting programs on art, literature and music.

On Thurs. Oct. 4 at 7:30, Morton Grove artist and illustrator Michael DeFrancesco will display and discuss his work. Mr. DeFrancesco paints in oils, acrylics and water-colors and his interesting subjects range from President Reagan to Star Wars.

Barbara Todd, staff reviewer, will begin her Fall series of book reviews with the unique novel, "Lincoln" by Gore Vidal. This portrayal of Abraham Lincoln during his presidency in the Civil War years, reveals his dry wit and his strengths and weaknesses as a man, rather than a legend. His wife, Mary Todd Lincoln, and his children come alive as do members of his Cabinet who are his sworn enemies. This is a rare look at our most celebrated president.

Concluding Illinois Arts Week will be a piano recital by pianist Christopher Severin on Sun. Oct. 14 at 2:30. Mr. Severin, who played at the Library with the Chicago Trio, is an accomplished artist and teacher and gives master classes and recitals throughout the U.S. His program will include light classical and contemporary pieces.

Please join us for these outstanding programs celebrating Illinois Arts Week!

THE LIBRARY IS OPEN ON SUNDAYS FROM
